and Mitchell Longcor
- OFFERING SONG: with Hope Overflow
I Speak Jesus
- **SERMON**
GOSPEL: **Mark 4: 26-34**
SERIES: Stories of Easter
TITLE: "The Time to Grow"
TEACHER: Tim Boettger
FOCUS: As we continue with Jesus'
strategy of using biological life and
agriculture as examples to teach us of
realities in the spiritual world, we look this
week at the growth of a new plant. After
a seed is germinated and the power of
new life is released, the time for new plant
growth has begun. Just like plants, every
spiritual life has stages in its growth. What
is needed for good growth in both? What
stunts growth? What is different about
spiritual growth?
- Apostles' Creed (9 am)
- SENDING SONG: with Hope Overflow
Holy Water
- Blessing & Benediction
