SERIES: The Resurrection Life / Learning to Live in the Guidance and Power of the Holy Spirit

TITLE: With Anticipation

TEACHER: Andy Walser

FOCUS: Today we will be looking at the power and mystery of the ascension of Jesus. Throughout Scripture we see the terms ascend and descend when referring to heaven and earth. This often leaves us with the question of "where is heaven?" The more relevant question is what is heaven doing? We will talk about Jesus at the right hand of the Father and the work He is empowering His followers to be doing through the Holy Spirit as we anticipate His return.

- Apostles' Creed
- SENDING SONG: *Spirit of the Living God*
- Blessing & Benediction
