SERIES: The Resurrection Life / Learning to Live in the Guidance and Power of the Holy Spirit

TITLE: Discerning the Holy Spirit's Work

TEACHER: Tim Boettger

FOCUS: This week we will look more deeply into what the Holy Spirit is doing here on the earth. Jesus told us that the Spirit of God is working to do four basic things in the hearts and minds of all people in the world. When we look for these things we can begin to discern His work in our lives and other people's lives more effectively. As we grow in our ability to do this, we can mature in our walk more fully with His guidance and power.

- Apostles' Creed
- SENDING SONG: *Doxology*
- Blessing & Benediction
- POSTLUDE: *Toccata from Symphony V* (Widor)
