TITLE: "Prayer is Penitent"

FOCUS: Being made in the image of a just God, we have a built in sense of justice in our hearts. When wrongs are committed we have a desire for appropriate retribution or punishment to take place. In our humanity, however, we are limited in our understanding of fairness and the appropriate application of justice. As you read today's texts consider how God has instructed us to handle this part of our nature in a way that honors Him.
